

Dear Families,

I truly can't wait to return to Daniel Bagley and for the 2016-17 school year to begin! I have safely returned from Peru and I can't wait to share my exciting adventure that I experienced with 29 other teachers from all over the USA.

Did you know there really is a pink Amazon River dolphin? The warmer the dolphin gets the brighter the pink becomes!

We also have exciting new class pets this year! If all goes as planned they will also be greeting you on the first day of school. (I wonder if you can guess what they are?)

For the new fourth year families, I'd like to introduce myself. My name is Liz Hoyer and this is my second year at Bagley. This will be my thirteenth year of teaching Montessori. I look forward to welcoming each of you to our 4th and 5th grade Upper Elementary Montessori classroom in portable 5. I am very excited to meet and get to know each of you!

Please make sure you look at the 4-5 Montessori school supply list. It has changed from previous years! We hope to purchase more communal items in bulk to reduce cost and stress.

Please enjoy the last few days of your summer vacation!

Sincerely,
Liz Hoyer
