

Hello Bagley Families and Students!

I am Ms. Tamura and very excited to be your child's teacher in P3. I look forward to having a successful and joyful school year. Let's work together to ensure that your child is reaching their full potential and being their best self. I would love to find out more about your family and child (personality traits, strengths, challenges, interests, wonders, etc.) A questionnaire will be sent home soon.

In the meantime, it's only fair that you know more about me...

My full name is Aidi Nguyen Tamura. I was born in Michigan and have lived in upstate NY, Orlando, Atlanta and now Seattle. I have my Bachelor of Science in Early Childhood Education from the University of Central Florida. This will be my 18th year teaching and my third year at Bagley. I've taught pre-k, kindergarten, 1st and 2nd grade. I love sushi, milkshakes, going to the movies and riding my bike around Green Lake with my family. My husband (Steve) and I have a 7 year old son named Akio, a mini Aussie named Kona and two cats named Leo and Lennox.

I can't wait to meet our P3 students and families in September!

Thank you,
Ms. Tamura
